Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — BBNT Solutions (BBNT) of Arlington, Virginia, is being awarded a \$17,645,153 Indefinite Delivery/Indefinite Quantity-type contract with a cost-plus-fixed-fee pricing arrangement for research of advanced technologies to formulate, plan and successfully execute individual program experiments and joint experiments, which span multiple Information Assurance and Survivability programs, or which address the practical cyber defense concerns of operational organizations. This contract contains no options. Work will be performed in Arlington, Virginia. The period of performance is from June 20, 2000 to June 19 2005. Contract funds will not expire at the end of the current fiscal year. This contract was competitively solicited through the Commerce Business Daily on July 20, 1999 under Broad Agency Announcement 99-33 with 45 offers received and 11 selected for award. The Space and Naval Warfare Systems Center, San Diego is the contracting activity (N66001-00-D-8041).
